

...Muses from the Mews

Janey from Victoria and Scarlet in the Borough Mews here. I thought we would say hello and introduce ourselves ahead of this Saturdays Farmers Market.

Victoria and Scarlet were invited to open a shop in the Borough Yard in Wedmore this spring and we have been open here since April and we are enjoying becoming a part of Wedmore village life.

We offer a full made to measure and fitting service for blinds and curtains, soft furnishings and much more.

We also offer shelter from the never-ending rain that is upon us at present so you can browse and shop for gifts and home wares without getting wet!

This weekend we are open during the farmers market and have lots of wonderful new things to see – the latest fabrics, beautiful floral arrangements, jewellery, cushions and much more.

We have been making curtains and blinds in this area for over 30 years with our main shop and workshop (BOS Interiors) based in Burnham-on-Sea and our sister shop (Escott and Wright) in Wellington.

We hope that our third venture, Victoria and Scarlet becomes as established and well loved as the businesses of years gone by here at the Borough Yard. We look forward to seeing you at the Borough Yard soon.

Mention the Isle of Wedmore website this Saturday and receive 10% off all items!
